# TGC JUNIOR GOLF ACADEMY

July 13-16, 2010

@

Taconic Golf Club

**Junior Division - ages 13 & under**

**9 am to 10:00 am each day**

**Senior Division - ages 14 & up**

**2 pm to 4 pm each day**

This year, we will be offering a week long Junior Golf Program, instead of the once a week lesson program of the past. The 2 major reasons for the switch is to offer a more concise and concentrated approach to golf for our students and to allow them to have the balance of the summer to enjoy their new found knowledge of the game.

The program will include lesson instruction and video analysis, in addition to golf course management. Our emphasis will not only be on how the hit the golf ball, but also, how to play the game.

The staff will be under the direction of Ron Rosko - Assistant professional @ Taconic Golf Club. Scheduled to appear and assist the programs are:

- ~ Rick Pohle - head golf professional at Taconic GC  
head coach of the Williams College men's golf team.
- ~ Drew Morrison - assistant professional @ Taconic GC
- ~ various collegiate and well known area amateur golfers

**Program costs:**

<i>Junior Division (ages 13 &amp; under)</i>	<i>\$40.00/person</i>
<i>Senior Division (ages 14 &amp; up)</i>	<i>\$100.00/person</i>
